PARISH ADVISORY BOARD

In February, 1967 a parish lay advisory board was formed. From representative members of all parish organizations a board was elected. This board, with the pastor, would draw up the agenda for meetings to be held. At the meetings all members representing the entire parish community would discuss problems, activities and plans for the improvement of our parish as a whole. The Parish Advisory Board in effect was the pastor's right hand in making necessary decisions for our parish life and needs.

I.C. Men's Club

35 years as an active organization of our parish the I.C. Men's Club involves itself in various activities of the parish. The general purpose of the Men's Club is to promote the spiritual welfare of the men of Immaculate Conception Parish by encouraging and assisting them to observe the practices of the Roman Catholic Faith. Days of recollection, Stations Of The Cross, various other religious feasts are celebrated in corporate fashion by the men and other organizations and fellow parishioners are asked to join in showing and practicing our faith.

All men of the parish who are 18 years of age or older are invited to join and become active as members and fellow parishioners. Among the many activities within the club, they are also active and contribute to the cultural, social and athletic activities of their fellow parishioners.
